

# Healthcare Bluebook™

Have you ever wondered what you should pay for an MRI when you're sitting at the doctor's office? You can—simply by using the Healthcare Bluebook mobile app on your iPhone® or Android™ enabled smart phone. The Healthcare Bluebook mobile app is free and can be downloaded directly from the Apple Store® or Google Play Market™.

With the Healthcare Bluebook app, you can access the same price and provider information that's available through the full Healthcare Bluebook website—all with the swipe of your finger.

## The health care you need at a Fair Price™

Healthcare Bluebook presents you with a recommended Fair Price for treatment in your area. Many common procedures, such as MRIs, colonoscopies and other diagnostic tests will even show you specific providers that offer a good value. Not all procedures and locations currently have specific providers listed, but more are added on a consistent basis.

## Can I access Healthcare Bluebook on my mobile device without downloading an app?

Sure! Downloading the app should only take a couple of minutes, but you can also use Healthcare Bluebook on your mobile device by following the easy steps below:

1. Log in to your member website at [www.meritain.com](http://www.meritain.com).
2. Click on the *Healthcare Bluebook* tile on the home page.
